

WEEKLY UPDATE

3/12/2021

Dear Residents and Families/Representatives,

It is hard to believe that it has been one year since COVID-19 changed all of our lives so drastically. From being forced to restrict visitors and change the way our residents communicate with their loved ones to making changes in our infection prevention and control practices, everything we have done and continue to do is an effort to keep our staff and residents safe. We want to thank our staff for their unwavering dedication to our residents and we want to thank our families for their continued support and patience as we continue to navigate this pandemic.

As always, our goal is to be transparent and provide you with weekly updates on the status of COVID-19 in our facility, including the current number of positive cases in our facility, how many confirmed cases of COVID-19 we have had since the beginning of this pandemic and our visitation status.

Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.
